

## South Ogden City Fireworks Restrictions

It is illegal to discharge any fireworks east of Harrison Blvd., within 300 ft. of the South Ogden Nature Center and within 300 ft. of Burch Creek.

The discharge of fireworks adjacent to any of the following is prohibited:

Urban - Wildland interfaces  
Open fields  
Hillsides  
Vacant lots  
Oak brush  
Pine Trees  
Evergreens  
Conifers  
Junipers

### Safe Practices:

- \*Vegetation is extremely dry and moisture levels are critically low.
- \*Brush and grass fires expand and move very fast, especially when driven by the wind.
- \*Have a charged garden hose with a shut-off nozzle ready to go.
- \*Drop hot sparkler wires into a 5 gallon bucket of water.
- \*Wet down all used fireworks when finished.
- \*Don't discharge fireworks on windy days.
- \*Don't let young children light fireworks.
- \*Use common sense; you may be liable for property damage or personal injury.
- \*Used fireworks should not be placed in a cardboard box, garbage can etc. until they are submerged in water or have cooled overnight.

### Dates and Times:

The Utah Legislature has revised fireworks dates and times as follows:

Fireworks may be discharged July 1<sup>st</sup> through July 7<sup>th</sup> and again on July 21<sup>st</sup> through July 27<sup>th</sup>.

Hours of discharge are from 11:00 AM to 11:00 PM and July 4<sup>th</sup> is 11:00 AM to 12:00 PM.
